2 takes effect, it shall be the duty of every person who is now
3 engaged in the practice of naturopathy in the State of California,
4 to cause his name and residence, or place of business, to be reg-

8 such manner as may be prescribed by the board of examiners.
9 Every person who shall so register with said board as a practi-

11 may continue to practice as such without incurring any of the

12 liabilities or penalties provided in this act, and shall pay to
13 the board of examiners a registration fee of ten (\$10) dollars.
14 It shall be the duty of the board of examiners to forward to the

18 be the duty of all county clerks to register such names in a
19 book to be kept for that purpose.

SEC. 12. Every person licensed to practice naturopathy in
2 this state, shall within six (6) months thereafter register in the
3 office of the clerk in the county where his place of business is
4 located, in a book kept by the clerk for such purpose, and
5 called a register of naturopaths, his name, age, office address,
6 the date and number of his license to practice naturopathy,
7 and the date of such registration, which registration he shall
8 be entitled to make only upon showing to the county clerk his
9 license or copy thereof, certified by the secretary of the board
10 over its seal, and making a affidavit stating his name, age,
11 birthplace, the number of his license, and the date of its issue;
12 that he is the identical person named in the license that before
13 receiving the same he complied with all the preliminary require-
14 ments of this statute and the rules of the board of naturopathy
15 examiners, as to the terms and amount of study and examina-
16 tion; that no money, other than the fees prescribed by this
17 statute and said rules, was paid directly or indirectly for such
18 license, and that no fraud, misrepresentation or mistake in a
19 material regard was employed or occurred in order that such
20 license should be conferred. The county clerk shall preserve
21 such affidavit in a bound volume, and shall issue to every
22 licentiate duly registering and making such affidavit, a certifi-

32 naturopathy in one county of the state, and removing such
33 practice or part thereof to another county, shall show or send
34 by registered mail to the clerk of such other county, his certifi-
35 cate of registration. If such certificate clearly shows that the
36 original registration was of an authority by the board of
37 naturopath examiners as entitled to registration, the clerk
38 shall thereupon register the applicant in the register of
39 naturopaths of the latter county on receipt of a fee of fifty
40 (50) cents, and shall stamp or endorse such certificate of
41 registration, the date and his name, preceded by the words,

45 law, shall register the new name with a marginal note of the
46 former name with the clerk of the county or counties where he
47 is practicing. The clerk shall note upon the margin of his
48 former registration in ink, the fact of such change, and a cross
49 reference to the new registration. The clerk shall forthwith
50 notify the secretary of the board of such change. Any county
51 clerk who, knowingly makes or suffers to be made upon the
52 register of naturopaths kept in his office, any entry other than
53 provided for in this act, shall be liable to a penalty of fifty
54 (\$50) dollars, to be recovered by and paid to the said state board
55 of naturopath examiners in a suit in any court having jurisdic-
56 tion. Any failure, neglect or refusal on the part of any person
57 holding such license to register the same with the clerk of said
58 county as above directed for a period of six (6) months after
59 the issuance thereof, shall ipso facto work a forfeiture of his
60 license, and it shall not be restored except upon the payment
61 to said board of twenty-five (\$25) dollars. Any suspension,
62 revocation, or reinstatement of a license shall with the date
63 thereof, be forthwith noted by the county clerk on the margin
64 of the registration thereof, upon receipt of notice from the
